

Design graphics Competition for Minehead Eastern Promenade

Calling all local budding artists!

As part of the Minehead Coastal Communities Team landscape and development works to Minehead Eastern Promenade, Wessex Water have agreed that they will sponsor a colourful vinyl graphics cover to their green equipment box near to the Jubilee Café (see images below of the box)

Entries & Criteria

Entries are invited from the local community to design graphics cover for the Wessex Water equipment box. **The theme for the artwork design is Maritime Minehead by the sea** - Minehead's prosperity was closely bound up with the sea and for over 200 years the port was second in local importance only to Bristol. Minehead offers traditional seaside fun, with its promenade. The town boasts a beautiful bay with sandy beach which stretches for a mile and gives views across the Bristol Channel to Wales. Budding artists from the local community have the opportunity to design their ideas or memories of how they portray Maritime Minehead in artwork. The competition winner's design will cover the Wessex Water equipment box.

The artwork design needs to consider the following:

- Include all sides and roof of the box in your designs
- All existing doors, grilles and hatches will be retained and the cover will sit over these so they can still operate
- The small information panel on the north side of the box will remain and will not be covered
- Your design must not include any additions or structures to the box
- The design will be transferred to flat vinyl, sticky back panels which will be fixed to the box
- With regard the hand drawn entries these must be no smaller than A4. Digital entries can be forwarded as a JPEG, TIFF, PNG or PDF file format
- Please use attached 'Appendix A' provided for the design layout. Electronic submissions for designs must not exceed 10Mb in size

Terms & Conditions

1. The competition is open to the local community (full name and address to be supplied with entries please)
2. The closing date for entries is 12 noon on 30/09/2018
3. The competition will be judged by at least three judges from Minehead Town Council, the Minehead Coastal Communities Team and Swan Paul Architects.

4. The judge's decision is final and the winner will be announced week beginning 08/10/2018
5. By submitting your competition entry and any accompanying material, you agree, and hereby assign to the promoter full intellectual property rights, ownership and full copyright for artwork design submissions

Entries

Please send completed designs by email to tender@westsomerst.gov.uk or by mail to: Minehead Equipment Box Design Competition, West Somerset Council, West Somerset House, Killick Way, Williton, TA4 4QA

All entries must be received by 12 noon on the 30/09/2018 closing date, late entries will not be included

The winning design will be incorporated into the improvement works for the Eastern Promenade that is expected to be carried out early in 2019

Good Luck
